### **Description:**

For over 18 years, Kitchen Remodel and Design Simi Valley have helped over 900 customers successfully renovate their kitchens. We are the number one company to go to for kitchen remodels in the Simi Valley and surrounding areas. We are here with you from start to finish and give you the support needed. Plus, all of our projects come with a lifetime warranty.

Kitchen Remodel and Design Simi Valley starts all kitchen remodels with a free in-home consultation. We assess your needs and learn more about what you are looking for in a kitchen design. All of our designers at Kitchen Remodel and Design Simi Valley make sure that by the time they leave, they have answered all of your questions. Forgot to ask something? Kitchen Remodel and Design Simi Valley pride itself on a quick response time so we will never leave you waiting too long wondering.

Kitchen Remodel and Design Simi Valley are licensed, bonded, and insured. We promise that all of our work is done in a professional and polite manner. It is our mission to give you the kitchen of your dreams. Kitchen Remodel and Design Simi Valley never leave a project until you are 100% satisfied with our work.

Our kitchen remodel and design services are exactly what you need! Create the kitchen you'll love by working with our staff of educated and experienced designers and contractor.
